Plan to come with your school-aged child on August 17th for a Mommy and Me Class!

What you need to know?

Not creative? Never stamped before? Not a "crafter"? Come anyway! I will show you how even YOU can create awesome handmade creations!

The fine print:

1. No small children please! This is YOUR time, so come let it shine!
2. Snacks and Water are okay. Please do not bring messy food! Ketchup doesn't really go on everything.
3. Cost for July's class is \$15.00 and must be paid in advance to reserve your spot and secure the items you will need to make awesome creations!
4. If you decide to place a product order of \$30.00 (before tax & Shipping), the class is FREE! The pre-paid class fee will be deducted from your order amount.
5. There will be basic adhesives available to purchase at each class at catalog price, but with no tax or shipping! Specialty adhesives needed to complete our projects will be provided for free.
6. No Refunds. If you are unable to attend, your kits will be held for you to pick up and will ready to assemble. You can also arrange to have another attendee get your kits and/or complete your projects for you.
